

OZOBOT #1

Kit Barcode: 33357 00487 7116

Learn to code with colors! Draw **OzoCode** color codes on paper or a tablet and Bit uses **optical sensors** to respond—spinning, speeding up, and more at your command. Explore OzoCode games and activities online or in the Ozobot app that can be downloaded for free.

Ozobots are teacher-recommended and are used in coding and STEM curricula in 2,000 schools nationwide!
