FREE Tubing for Reading! 2017-2018

Sunburst Winter Sports Park is offering a Reading Incentive program this winter through your child's school or local library. This program allows your students to accumulate reading minutes from now until December 29, 2017. Students in grades K-5th are eligible to receive a snow tubing voucher when they log **500** minutes of reading. Students in grades 6-8 are eligible to receive a snow tubing voucher when they log **1000** minutes. To participate students turn in the completed log to their teacher/librarian. They will then receive their voucher.

Simply exchange the voucher at the tubing ticket window for a ticket of the day. Vouchers are redeemable Monday-Fridays after 4:00pm, and valid until the last day of the snow tubing season 2017-2018. Vouchers available after Nov. 30

It's that easy! We hope that you take advantage of this opportunity to read and get rewarded in a unique and fun way!
