

ED GETS HIS POWER BACK #1

Kit Barcode: 33357004891986

Ages 4 to 10 *Ed Gets His Power Back* is the story of a green LED named Ed who must learn to light himself up before sun goes down in his neighborhood. As Ed enlists his electronic friends for help, kids and parents will learn basic electronic components and watch a real circuit come to life through beautiful color illustrations, engaging characters and a compelling story.

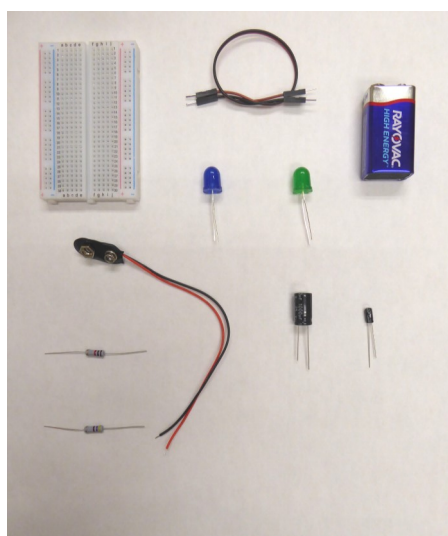

Contains small parts, not for children under 3 years old.
